

Alternative Ombré Card with Rearranged Strips

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE TOGETHER CLUB - 14 FEBBRAIO 2025

IL PROGETTO

Transform leftover ombre strips into a fresh new card by rearranging them in a different colour sequence. This project features stamped floral elements and sentiment on rearranged gradient strips, creating an entirely different look from the same materials. The technique demonstrates how to maximise your supplies by creating multiple cards with varied colour arrangements from a single set of stamped strips.
