

Biglietto effetto vetrata

UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 10 FEBBRAIO 2025

IL PROGETTO

Create a stunning card with an authentic stained glass window effect using layering stencils, dies and coordinating stamps. This elegant design combines geometric shapes in pink and black tones to produce a beautiful architectural appearance. The technique uses multiple layers to achieve depth and dimension, mimicking the look of traditional leaded glass windows.
