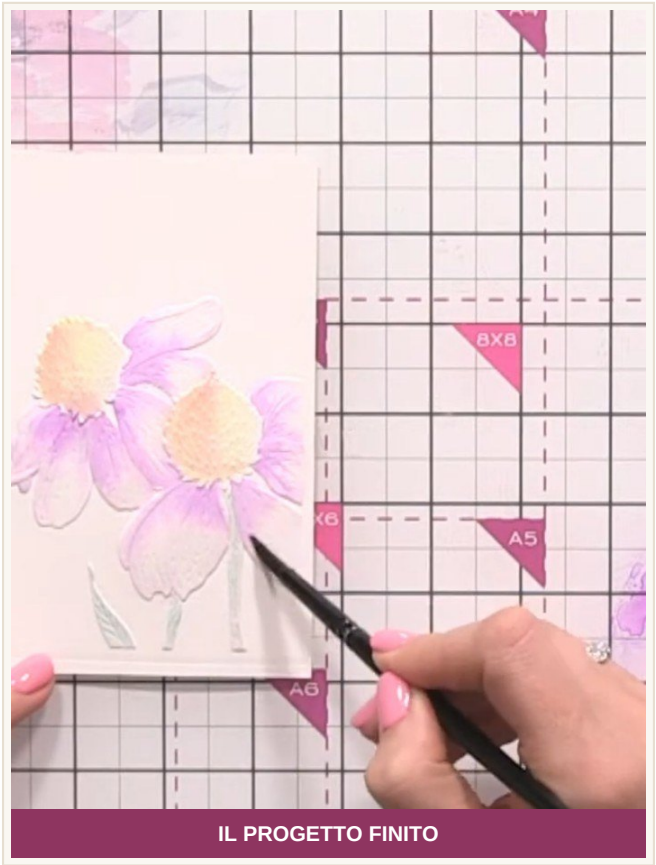
# Watercolour Painted White Rose Embossing Folder Card

UN PROGETTO DALLA NOSTRA DIRETTA - MIGHTY MONDAY - 20 GENNAIO 2025



IL PROGETTO FINITO

**IL PROGETTO**

Create a beautiful watercolour card featuring delicate white roses with soft pink and yellow tones. Using a 3D embossing folder and watercolour paints, you'll achieve a naturally shaded floral design with professional-looking depth and dimension. The watercolour technique allows the paint to settle into the embossed grooves, creating realistic shadows that bring the roses to life.

GUARDA QUESTO PASSAGGIO - 34:00

PASSAGGIO 9 DI 10

**Using a diluted green watercolour, add very light leaf veins to the flowers.** Keep the colour minimal and subtle for a natural effect.

### CONSIGLI DALLA PUNTATA

- Less colour is more—use very diluted ink to build up gradually rather than applying too much at once.
- Watercolour card stock stays wet longer than regular card, giving you more time to blend and move colours around.
- If you create a harsh line you don't like, use a damp brush to soften it by pouncing gently over the edge.
