

Double-Pocket Page with Front and Back Pockets

UN PROGETTO DALLA NOSTRA DIRETTA - MIGHTY MONDAY - 25 NOVEMBRE 2024

IL PROGETTO

Create a versatile double-pocket page for your 6x6 album featuring decorative patterned papers in rich florals with blues, pinks and golds. This clever design offers storage pockets on both the front and back surfaces, maximising space for photos, journaling cards and embellishments. The project uses simple folding and adhering techniques to construct a functional hinged page that opens to reveal both pocket areas.
