PASSAGGIO 7 DI 12

Ink up the entire reflection stamp with black ink and stamp it firmly onto the black card. Position the image centrally on the right side of the card to create a darker background effect.

CONSIGLI DALLA PUNTATA

- The reflection collection gives you built-in realism without any technique required.
- You can use the stencil as a mask to add a halo of a different colour around the dancer.
- Tearing the paper across the top instead of cutting it straight makes the card less predictable.
