CONSIGLI DALLA PUNTATA

• You don't need double-sided paper; single-sided paper works perfectly if you cover the back panels with decorative pattern paper.
• Keep scoring measurements simple: half an inch and one inch are easier to work with than complex fractions.
• You can use any paper pad size from your stash—5x5, 6x6, 7x7 or 8x8 all work; just adjust your scoring accordingly.
