

White on White Delicate Stitch Sewing Machine Card

UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 21 OTTOBRE 2024

IL PROGETTO FINITO

IL PROGETTO

Create an elegant white-on-white card featuring a vintage sewing machine design. This sophisticated project uses die-cut elements from the Delicate Stitch collection to build up layers of texture, including a sewing machine, thread spools, buttons, needles and delicate floral sprays. The tone-on-tone approach creates subtle depth through embossing and layering, resulting in a beautifully refined card perfect for crafters and sewing enthusiasts.

CONSIGLI DALLA PUNTATA

- You can cut multiple versions of these elements in white and change only the spool colours to silver, gold, pink or blue for variety.
- If you want a vintage look, cut the machine in black and the flowers in gold, then paper-piece the gold back into the black machine to mimic old Singer machines.
- The detail in the die-cuts is delicate, so handle carefully when removing from the machine to avoid damage.
