

Biglietto invernale Merry and Bright con cervo

UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 7 OTTOBRE 2024

IL PROGETTO

Create an elegant winter card featuring a die-cut stag scene with delicate foliage details. This sophisticated design combines white cardstock with landscape paper backing, enhanced with gold wax accents and glitter glue on the foliage for a festive shimmer. The finished card showcases a beautiful woodland scene perfect for seasonal greetings.

5

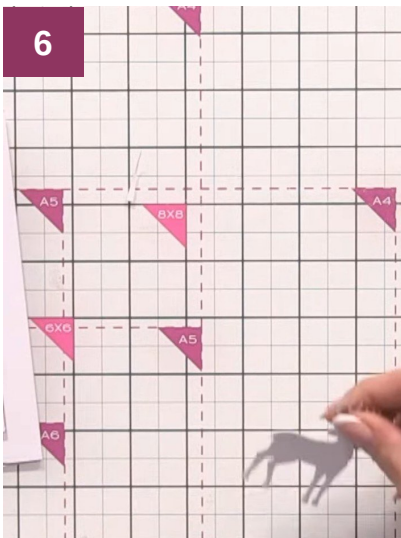

PASSAGGIO 5 DI 8

Apply gold wax to the stag die-cut using your finger or a soft cloth, gently rubbing it over the surface to add subtle colour and dimension to the piece.

6

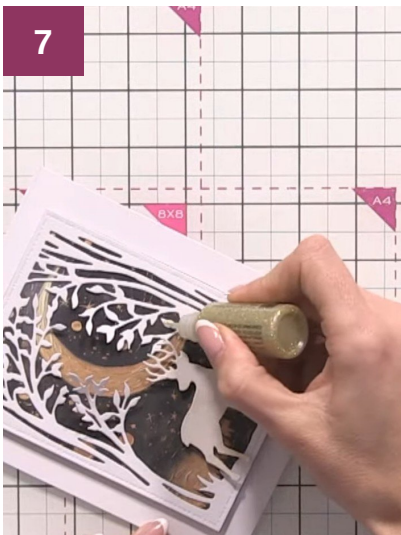

PASSAGGIO 6 DI 8

Position the die-cut stag at the bottom of the card so it appears grounded on the landscape. The stag should sit naturally on the lower edge of the scene.

7

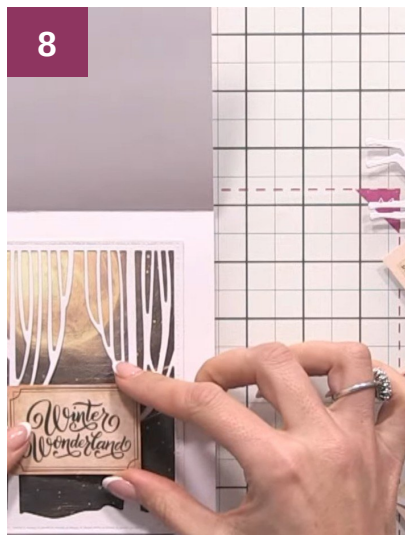

PASSAGGIO 7 DI 8

Apply gold glitter glue to the leaves and foliage details in the landscape scene. Use the applicator to add sparkle to the decorative elements within the die-cut design.

CONSIGLI DALLA PUNTATA

- You can batch make these cards as they use simple layering techniques.
- The stag die works well for Father's Day cards too if you change the colour scheme.
- If you don't have a guillotine, you can trim card edges by hand with scissors.
