

Inked and Embossed Snowflake Frame Background Card

UN PROGETTO DALLA NOSTRA DIRETTA - ONE DAY SPECIAL - 27 SETTEMBRE 2024

IL PROGETTO

Create a beautiful textured card background featuring a vintage snowflake design. Using distress ink and water spray with an embossing folder, you'll achieve a grungy, atmospheric effect in soft purple and white tones. This technique is perfect for creating unique Christmas cards with depth and character that can be enhanced with additional layered elements.

PASSO PASSO

1

PASSAGGIO 1 DI 5

Ink both sides of the snowflake frame embossing folder using a vintage blue Distress Oxide ink pad, swiping the pad across the raised areas of the folder.

[GUARDA QUESTO PASSAGGIO - 14:45](#)

2

PASSAGGIO 2 DI 5

Spray both inked sides of the embossing folder lightly with water from a spray bottle. Do not over-saturate the folder.

[GUARDA QUESTO PASSAGGIO - 15:30](#)

3

PASSAGGIO 3 DI 5

Place a piece of white card into the embossing folder and run it through your die-cutting machine to create the embossed snowflake frame design.

4

PASSAGGIO 4 DI 5

Remove the card from the embossing folder to reveal the embossed snowflake frame detail with the distressed ink effect on both sides.

5

PASSAGGIO 5 DI 5

Allow the embossed card to dry completely before using it as a background or layering additional elements on top. Use the pink die-cutting and embossing machine to ensure a crisp finish.

CONSIGLI DALLA PUNTATA

- The grungy appearance whilst the folder is wet will disappear once you run it through the machine.
- You can use this inked embossing folder technique with any embossing folder in your stash.
- Edge the embossed background with a black ink pad to add definition and prevent elements from looking like they are floating.
