

Biglietto di Natale con pila di cappelli da elfo

UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 16 SETTEMBRE 2024

IL PROGETTO

Create a charming Christmas card featuring a stack of two decorative elf hats in elegant black and white glitter patterns. The hats are adorned with festive embellishments including candy canes, foliage, and lollipops for a playful holiday design. This project uses die-cutting and layering techniques to build dimension and create a whimsical seasonal greeting card.

PASSO PASSO

PASSAGGIO 1 DI 12

Take a card with a hinge and position the largest elf hat die so it hangs over the top edge of the card to create a shaped card base.

2

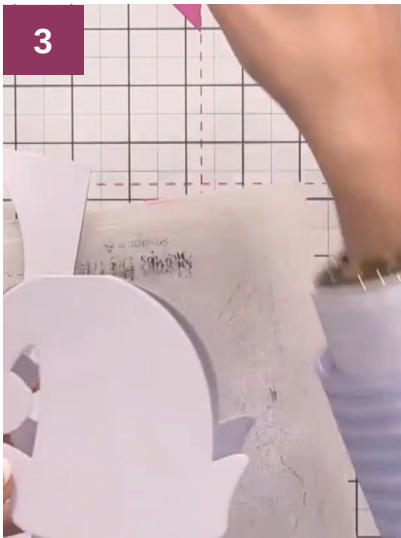

PASSAGGIO 2 DI 12

Place your stamped card into the die-cutting machine with the hat die positioned over the top. Run the die through your machine to cut the first shaped hat from the card.

CONSIGLI DALLA PUNTATA

- When creating a shaped card, position the die so it hangs just over the hinge at the top to create a clean fold line.
- Use foam pads under layered elements to add dimension and prevent the card from becoming too flat.
- You can create variations by stacking three hats, arranging them side by side, or using different colour combinations from the paper pack.
