

## Biglietto nero in rilievo con inchiostro bianco

UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 19 AGOSTO 2024

### IL PROGETTO

Create a stunning slimline card featuring an intricate floral design embossed on black cardstock and highlighted with white ink. The 3D embossing creates beautiful raised texture across the entire card front, with delicate flowers and leaves creating an elegant monochrome effect. This sophisticated technique combines embossing and stamping to produce a striking contrast perfect for special occasions.
