UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 19 AGOSTO 2024

IL PROGETTO

Create an elegant card featuring a charming bird stamp die-cut design. This project showcases a delicate bird perched on a branch with flowers, stamped in black ink and die-cut, then layered onto embossed cardstock in soft pink and grey tones. The main techniques include stamping, die-cutting, and embossing to create a beautiful dimensional card with a vintage botanical feel.

CONSIGLI DALLA PUNTATA

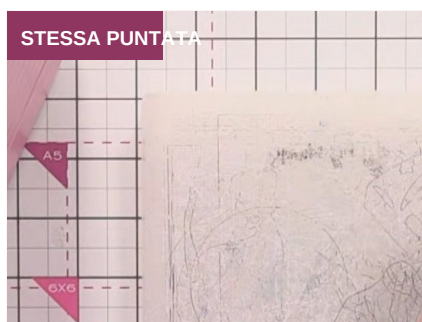

- The bird can be used in multiple ways: with the branch attached, cut away as a standalone element, or positioned on landscape or portrait cards.
- You can colour just the flowers to add a pop of colour whilst keeping the bird in black and white.
- This design works beautifully for Christmas cards, sympathy cards, or general greetings.
