

Biglietto monocromatico tono su tono

UN PROGETTO DALLA NOSTRA DIRETTA - CRAFT BATTLE USING THE BOOKAZINE - 30 MAGGIO 2024

IL PROGETTO

Make a sophisticated monochromatic card that showcases the beauty of working within a single colour palette. Using grey tones on white cardstock, you'll layer stamped heart motifs to create depth and dimension without colour variation. This elegant, minimalist design demonstrates how restraint in colour can produce striking results.
