UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 9 APRILE 2024

IL PROGETTO FINITO

IL PROGETTO

Make an elegant card using the reflection and lamination stamp duo to achieve a stunning hand-painted watercolour effect. The design features romantic silhouettes including a couple with umbrella and London cityscape, layered with soft pink and purple washes. This innovative two-part stamping system lets you add depth and movement by combining solid reflection stamps with translucent coloured lamination layers.
