Scatola regalo decorata con design coordinato

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 3 APRILE 2024

IL PROGETTO FINITO

IL PROGETTO

Create an elegant decorated gift box featuring a beautiful purple and lavender colour scheme. The lid is adorned with layered patterned papers, delicate vellum strips, and vintage-style ephemera including floral motifs, butterflies, and decorative text elements. This project demonstrates how to transform a plain white box into a stunning three-dimensional gift presentation using stamping, layering, and embellishment techniques.

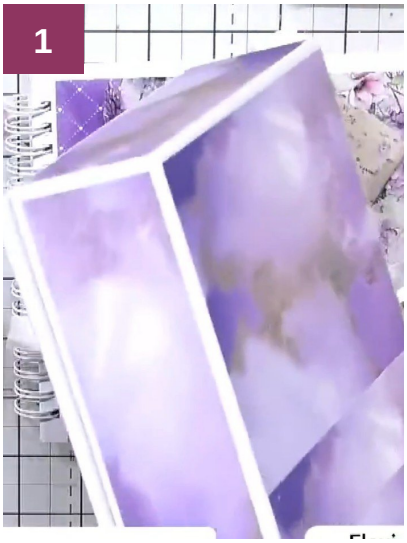
PASSO PASSO

1



PASSAGGIO 1 DI 9

Start with a plain white box. This project uses a box with pockets that can be decorated with coordinating papers and embellishments.

PASSAGGIO 2 DI 9

Select patterned paper in coordinating purple and lilac tones with glitter detail. Cut the paper to fit the top of the box lid, ensuring it covers the surface completely.

5

PASSAGGIO 5 DI 9

Cut a contrasting paper panel and adhere it to the box to break up the colour scheme. Position the panel on the lower portion of the decorated area to add visual interest.

6

PASSAGGIO 6 DI 9

Glue the ephemera toppers and fussy-cut floral elements onto the box lid, building up layers to create dimension. Position the pieces to create an attractive arrangement across the decorated surface.

7

PASSAGGIO 7 DI 9

Secure the left and right edges of the decorated panel to the box by applying glue directly without foam pads. This will cinch the design and create a neat, flat finish on the sides.

PASSAGGIO 8 DI 9

Glue additional ephemera elements such as die-cut pieces into the pockets or layer them as overlays on the decorated box surface to enhance the design.

PASSAGGIO 9 DI 9

Add glitter glue or other embellishments to highlight key elements of your design. Focus on areas like the flowers, butterfly, and decorative elements to add sparkle and dimension. Allow to dry completely before handling.

CONSIGLI DALLA PUNTATA

- Cinching a design by gluing only the edges creates a neater look than using foam pads all over.
- You can put a small gem or embellishment over glue spots to hide them.
- The same design elements can be used on both the box and a coordinating card or envelope.
