

Biglietto con bolle ad acquerello e riflessi

UN PROGETTO DALLA NOSTRA DIRETTA - CRAFT BATTLE - 28 MARZO 2024

IL PROGETTO

Make a charming watercolour card featuring delicate bubbles with white highlights and reflections. The design uses soft pink and purple tones applied through stencilling to create a light, celebratory feel. Simple watercolour techniques build up the bubble shapes with dimensional highlights for a professional finish.

PASSO PASSO

1**PASSAGGIO 1 DI 7**

Prepare your white card base. Select the bubble stencil from the Pretty Little Things collection and position it on your card where you want to create the watercolour bubble design.

CONSIGLI DALLA PUNTATA

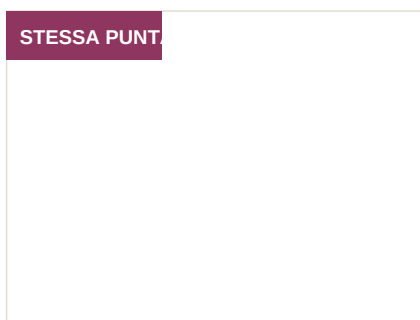

- Adding white highlights to watercoloured bubbles gives them more dimension and makes them pop.
- The stencil has a neat flush edge with no exterior border, creating a clean finish without the decoupage look.
