

Mixed Paper Panel Card with Fussy-Cut Elements

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE TOGETHER CLUB CHAPTER 3 - 13 MARZO 2024

IL PROGETTO

Create an elegant card featuring a striking geometric design with a diamond-shaped aperture. This sophisticated project combines pink floral patterned paper with bold black diagonal strips, all mounted on a coordinating pink card base. The technique involves precise paper layering and creating a dimensional framed effect for a professional finish.

PASSO PASSO

PASSAGGIO 1 DI 8

Using a guillotine or craft knife, cut your pink A5 card blanks into different sizes to create variety in your card collection. You can make top-folding cards in various dimensions from the 6 by 8 inch blanks.

CONSIGLI DALLA PUNTATA

- If your images blend into similar coloured backgrounds, cut a coordinating piece of card stock to place underneath to make them stand out.
- If you're making one card, make three; if making three, make six to maximise your cutting time.
- Use your offcuts and scraps of paper to create additional panels and avoid wasting material.
