PASSO PASSO

PASSAGGIO 1 DI 12

Take a piece of white card stock and place it on your glass mat or work surface.

PASSAGGIO 2 DI 12

Use a ruler or straight edge to mask off a horizontal line across your white card where the background will end. This creates a clean division for your ink blending.

PASSAGGIO 3 DI 12

Using a blending brush, pick up orange ink from the ink pad. Tap the brush on your craft mat to remove excess ink before applying to your card.

PASSAGGIO 4 DI 12

Using a blending brush, apply orange ink along the masked edge to create a warm glow effect. Tap off excess ink from the pad before blending to avoid harsh lines.

PASSAGGIO 6 DI 12

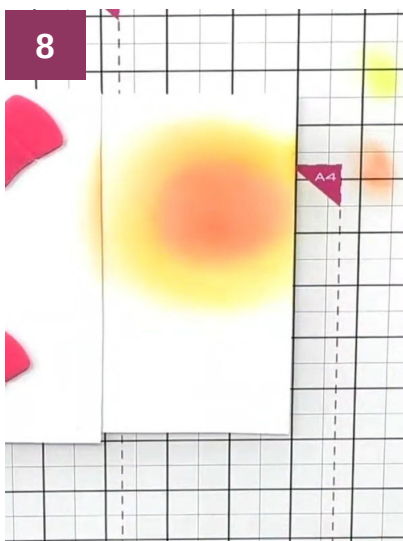

Add teal ink around the edges of the background using an ink blending tool. Blend the teal ink into the existing orange and yellow colours to create a smooth transition.

PASSAGGIO 7 DI 12

Using a blending brush, apply blue ink around the outer edges of the card to deepen the atmospheric effect. Work the colour outwards from the existing orange and yellow tones to create a gradual transition.

PASSAGGIO 8 DI 12

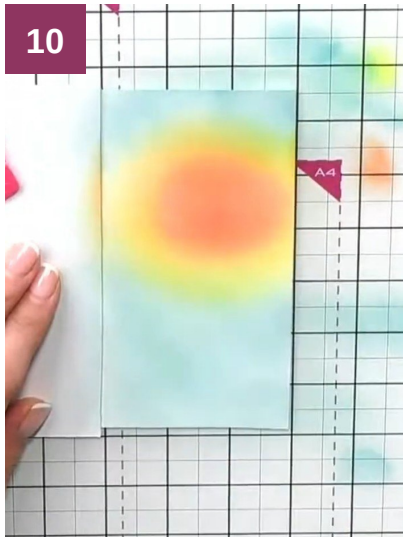

Remove the masking tape from around the blended area to reveal a clean, crisp edge on your card panel.

PASSAGGIO 9 DI 12

Spray water droplets across the ink-blended background to create texture and add visual interest. The water will react with the ink to create organic patterns and help mask any uneven blending.
