

Embossed Love Card with Decorative Folder

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 9 FEBBRAIO 2024

IL PROGETTO

Create an elegant romantic card featuring embossed 'love' text in all four corners using a 6x6 embossing folder. The textured design creates a sophisticated black and white card base that can be enhanced with gilding wax for added shimmer. This classic technique pairs beautifully with coordinating black and gold papers for a timeless, heartfelt greeting card.
