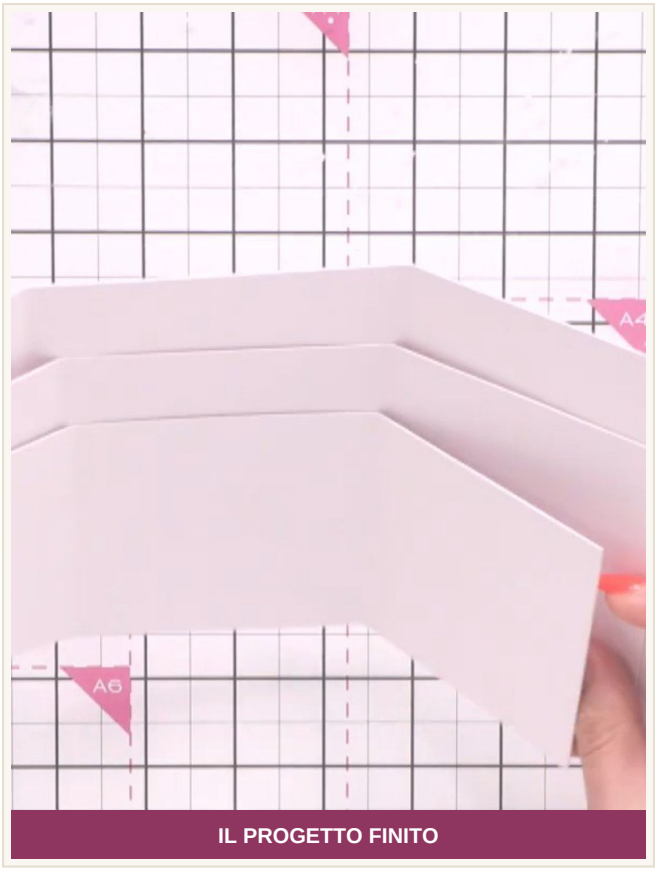
Mini album natalizio con pannelli annidati

UN PROGETTO DALLA NOSTRA DIRETTA - CHRISTMAS ADVENT CALENDAR - 13 GENNAIO 2024



IL PROGETTO FINITO

IL PROGETTO

Create a stunning Christmas mini album featuring nested panels that fold inward to create elegant pockets. This beautiful project uses soft pink cardstock with multiple layers of decreasing sizes, creating a dimensional effect that opens to reveal decorated interior pages. The album is finished with ribbon ties for a lovely surprise reveal, perfect for festive photographs and memories.

CONSIGLI DALLA PUNTATA

- Trim the edges of each panel slightly short of the score lines so they fold in smoothly without stretching.
- You can position the pockets asymmetrically—some at the top, some at the bottom—for a more creative look.
- Decorate the back panel before gluing it down so it looks finished inside and out.
