

Tulip Embossing Folder Card with Vellum Overlay

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 8 GENNAIO 2024

IL PROGETTO

Create an elegant card featuring beautiful embossed tulips with a coordinated vellum overlay. This project uses the Pretty Florals embossing folder to create texture on both the card base and vellum, demonstrating how the same design can be used on different materials for a sophisticated layered effect. The finished card combines soft purple tones with delicate embossed details for a refined, dimensional look.
