

Bride and Groom Vellum Card with Torn Edges

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 3 GENNAIO 2024

IL PROGETTO

Create an elegant wedding card featuring a bride and groom design embossed on delicate vellum. The soft pink and white colour palette combined with the textured embossing creates a romantic, vintage parchment effect with beautifully torn edges. This project uses 3D embossing techniques on vellum to achieve a sophisticated, etiquette-rich finish perfect for wedding celebrations or anniversaries.
