

Biglietto Jasper Gentleman con carta fantasia

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 2 GENNAIO 2024

IL PROGETTO

Create a sophisticated gentleman card using embossed patterned paper featuring romantic Parisian scenes in soft pinks and greys. The dapper figure is embossed with the Jasper folder, highlighted with white ink to bring him to the foreground, then fussy cut and layered onto a card base. This versatile design combines embossing, inking and paper layering techniques for an elegant, masculine card.
