

Tag gratta e scopri Fancy Holiday

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 30 DICEMBRE 2023

IL PROGETTO FINITO

IL PROGETTO

Create a charming interactive holiday tag featuring a scratch-and-reveal camera design with butterflies and floral embellishments. The tag combines watercolour-style backgrounds in soft blues and purples with stamped elements and a hidden message beneath a gold scratch-off panel. This project uses stamping, colouring, and scratch-and-reveal sticker techniques to make a unique gift tag or decorative piece.

CONSIGLI DALLA PUNTATA

- The scratch and reveal stickers have a clear lining so scratching them off won't distort the stamped image underneath.
- You can use stamped images, handwritten messages, or gel pen writing under the stickers.
- Tags don't have to be on cards—they work brilliantly as swing tags on luggage or hanging from doors.
