

Typewriter Washi Tape Sentiment Topper Card

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 30 DICEMBRE 2023

IL PROGETTO

Create an elegant greeting card featuring die-cut sentiment toppers from decorative washi tape. This project uses a 10-metre roll of typewriter-style washi tape containing over 5,000 pre-printed sentiments in black text on a neutral background. The main technique involves die-cutting the tape to create layered sentiment stickers that add a vintage, typewritten charm to your handmade cards.

CONSIGLI DALLA PUNTATA

- The washi tape sentiments work as stickers directly from the roll, or you can layer them onto card for more durability.
- If you apply the sticker to coloured card, the black sentiment will show the card colour through it.
- Run the die through the machine one section at a time rather than multiple sections together to avoid damage.
