

Gold Foil Embossed Collage Card with Teal Base

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE TOGETHER CLUB CHAPTER 3 - 14 DICEMBRE 2023

IL PROGETTO

Create a stunning mixed-media card featuring two contrasting designs side by side. The left card showcases soft pink watercolour florals with an inspirational sentiment, whilst the right card displays a dramatic copper-foiled sunflower embossed onto vintage book text, all mounted on a teal card base. This project combines embossing, foiling and collage techniques for a sophisticated handmade greeting card.

PASSO PASSO

1

PASSAGGIO 1 DI 7

Place your copper metallic patterned paper into the embossing folder, ensuring the rise is facing upwards for the correct orientation.

2

PASSAGGIO 2 DI 7

Run the foiled paper through your die-cutting machine using thick plates to emboss the design. Ensure the foil side is facing up as it goes through to create a raised embossed pattern.

3

PASSAGGIO 3 DI 7

Trim away the excess paper around the embossed design using scissors. Cut carefully to remove the unwanted areas whilst preserving the embossed pattern.

4

**PASSAGGIO 4 DI 7**

Cut the copper foil into smaller pieces using scissors, making them easier to work with for your collage design.

5

**PASSAGGIO 5 DI 7**

Flatten out the metallic copper foil pieces on your craft mat using a white ink pad to smooth them down and prepare them for layering.

6

**PASSAGGIO 6 DI 7**

Apply glue to the reverse of the copper embossed foil piece and position it on the left side of your teal card base, overlapping the decorative panel.

PASSAGGIO 7 DI 7

Adhere the collage paper layer with the copper foil to the side of the teal card base. Pinch the edges slightly to create dimension rather than laying it completely flat.

CONSIGLI DALLA PUNTATA

- Gold wax or metallic inks create a striking contrast on patterned papers and show up beautifully on the embossed design.
- Layering different coloured cardstocks and patterned papers creates a mixed-media effect that makes the embossed design stand out.
