Mini Card with Gold Embossed Bike on Patterned Paper

UN PROGETTO DALLA NOSTRA DIRETTA - STAMPS BY ME - 1 NOVEMBRE 2023

IL PROGETTO FINITO

IL PROGETTO

Create a striking mini card featuring a bicycle stamp embossed in gold on black patterned paper with a decorative door design. The card is layered with white card and black matting, and finished with a sentiment strip across the top for a sophisticated, elegant look. This project uses heat embossing techniques to create beautiful metallic detail on patterned backgrounds.

PASSAGGIO 3 DI 12

Use an antistatic bag to prepare a piece of alcohol ink-style card stock by rubbing it over the surface. This prevents static and helps the embossing powder stick only where you want it.

CONSIGLI DALLA PUNTATA

- Stamping onto patterned paper creates a different, more textured look than stamping on plain card stock.
- Heating your embossing gun properly ensures better results with embossing powder.
- Angling elements slightly creates perspective and visual interest on your card.
