PASSO PASSO

PASSAGGIO 1 DI 10

Tear a piece of vellum by hand to create an organic, uneven edge. This will be placed over the fireworks image to create an offset effect rather than a straight line.

PASSAGGIO 2 DI 10

Use an anti-static bag to wipe the vellum cityscape piece thoroughly to remove any fingerprints or moisture before stamping. This ensures a clean surface for stamping.

PASSAGGIO 3 DI 10

Ink up the star detail from the Friends Forever stamp set with a sticky ink pad. Apply white embossing powder to the inked stamp.

PASSAGGIO 4 DI 10

Stamp the stars onto the vellum using embossing powder. Layer the star stamps to create a continuing pattern across the torn edge. Store the stamped vellum in an anti-static bag to prevent powder from sticking.

PASSAGGIO 5 DI 10

Sprinkle white WOW embossing powder over the stamped stars on the vellum strip to cover the wet ink completely. Tap off any excess powder back into the pot.

PASSAGGIO 6 DI 10

Heat set the embossing powder quickly with your heat gun, working fast as vellum is not always heat resistant.

PASSAGGIO 7 DI 10

Wrap the embossed vellum around the card front, positioning it to create a layered effect. Secure the vellum in place at the back of the card using tape or glue.

PASSAGGIO 8 DI 10

Use your craft tool to pop out some of the die-cut window shapes from the black cityscape silhouette to create texture and dimension. Work carefully to remove selected windows whilst keeping the overall structure intact.

PASSAGGIO 9 DI 10

Position a smaller black die-cut cityscape piece behind the vellum overlay to add depth. Use a white or gold gel pen to add small 'L' shapes around the windows on the buildings to create highlights and detail.

PASSAGGIO 10 DI 10

Add a sentiment to your card using a pre-cut die-cut word or washi tape. Position the sentiment across the middle section, ensuring it doesn't cover the stamped stars on the water reflection below.
