

Embossed Snow Burst Card with Amala Character Topper

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 26 OTTOBRE 2023

IL PROGETTO FINITO

IL PROGETTO

Create a stunning card featuring an embossed snow burst background in shimmering gold with a central circular aperture. The design is completed with a layered panel showcasing an Amala character topper, combining elegant metallics with a contemporary dotted texture. This versatile card uses embossing folders and die-cutting techniques to achieve a sophisticated finish suitable for various occasions.

PASSO PASSO

PASSAGGIO 1 DI 4

Run your gold or grey card stock through the embossing machine with the snow burst embossing folder to create the textured background pattern.

[GUARDA QUESTO PASSAGGIO - 24:15](#)

PASSAGGIO 2 DI 4

Layer a grey card panel onto your embossed base card. Add a gold decorative card panel on top, staggering the layers slightly to create visual interest and show each layer.

[GUARDA QUESTO PASSAGGIO - 24:30](#)

PASSAGGIO 3 DI 4

Position your Amala character stamp or die-cut onto the embossed gold background to create a focal point for your card. Place the character centrally or slightly off-centre to ground the scene against the embossed texture.

4

PASSAGGIO 4 DI 4

Add your sentiment stamp to complete the card. Position the stamp on the lower portion of your card and press firmly to transfer the text.

CONSIGLI DALLA PUNTATA

- Mark your embossing folder to remember which way it embosses up to avoid confusion in future use.
- If your embossing folder has a circular element, you can cut it out to create a peephole effect or diorama-style card.
