

Simply Gorgeous Lady Card with Heat Embossed Gold Details

UN PROGETTO DALLA NOSTRA DIRETTA - THE BRAND NEW LAUNCH - 29 GIUGNO 2026

IL PROGETTO

Create a striking card featuring a detailed lady's face heat embossed in gold on black cardstock. The intricate facial details including eyelashes, eyebrows and lips are beautifully rendered in metallic gold, creating a sophisticated and elegant design. This project uses heat embossing techniques to achieve a luxurious raised effect against the dramatic black background.

PASSO PASSO

1

PASSAGGIO 1 DI 5

Cut a piece of black cardstock to size. Use an anti-static bag to treat the surface of the black cardstock, removing any static or moisture that could affect the heat embossing process.

[GUARDA QUESTO PASSAGGIO - 49:00](#)

2

PASSAGGIO 2 DI 5

Using a sticky embossing ink pad, stamp the Simply Gorgeous lady image in the top corner of your black card panel. Position the lady's head towards the upper edge, ensuring a clear impression for heat embossing.

[GUARDA QUESTO PASSAGGIO - 49:45](#)

3

PASSAGGIO 3 DI 5

Apply gold embossing powder over the stamped image, ensuring all the detail is covered. Tap off any excess powder back into the pot.

4

PASSAGGIO 4 DI 5

Heat set the gold embossing powder with a heat gun, working quickly and evenly across the stamped image to melt the powder without creating lumps or bumps on the paper.

[GUARDA QUESTO PASSAGGIO - 52:15](#)

5

PASSAGGIO 5 DI 5

Once the embossing powder has cooled completely, gently brush away any excess anti-static powder from the card using a soft brush to reveal the clean heat embossed design.

CONSIGLI DALLA PUNTATA

- Get your heat gun really hot before applying it to the card - less time on the card means fewer lumps and bumps.
- Use an anti-static bag before heat embossing to keep your work neat and free from unwanted specks.
