

Riflessi oro metallizzato su un disegno in rilievo

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 23 OTTOBRE 2023

IL PROGETTO FINITO

IL PROGETTO

Create an elegant embossed card with a delicate floral design enhanced with gold metallic highlights. The raised embossed areas are lightly touched with shimmering gold ink, creating a subtle sparkly effect that catches the light beautifully. This technique uses your embossing folder as a mono printing plate to transfer metallic ink onto the raised design.
