# Joy Word Card with Lapel and Window Frame

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 16 OTTOBRE 2023

IL PROGETTO FINITO

## IL PROGETTO

Create a striking festive card featuring the word 'Joy' die cut in elegant script, with a clever lapel effect across the top of a window frame. The white die-cut sentiment creates a beautiful banner-like design against a dark dotted background, with decorative flourishes visible through the window below. This sophisticated card combines die cutting and layering techniques to achieve a dimensional, eye-catching result.

## CONSIGLI DALLA PUNTATA

- The lapel effect works beautifully because you're only using the base section of the word die.
- Embossing the word die helps it hold detail and makes it more visible against the background.
- You can add sparkle down by the base of the card for extra festive appeal.
