

Segnalibri ad angolo con le carte Wrap and Fold

UN PROGETTO DALLA NOSTRA DIRETTA - THE ART OF CARDISTRY - 9 OTTOBRE 2023

IL PROGETTO

Create charming corner pocket bookmarks using decorative wrap and fold papers in pink, purple and floral patterns. These practical bookmarks feature geometric heart designs with white die-cut overlays and slip neatly over the corner of a book page. The project uses simple folding techniques to transform square paper pieces into functional corner pockets that can also be used as gift toppers.
