Biglietto Slimline con baita ad acquerello

UN PROGETTO DALLA NOSTRA DIRETTA - THE INSTANT ARTIST - 2 OTTOBRE 2023

IL PROGETTO FINITO

IL PROGETTO

Create a beautiful slimline Christmas card featuring a rustic cabin nestled amongst evergreen trees. Using the spray and stamp technique, build up layers of watercolour in rich greens and browns, then add crisp black outlines for depth and definition. The sentiment 'may your days be MERRY and BRIGHT' completes this charming winter scene with a decorative star accent.

CONSIGLI DALLA PUNTATA

- If you spray too much water, you'll get a flood, but it still looks brilliant—don't be put off by it.
- Spray the card rather than the stamp for better bleeding and a more realistic watercolour finish.
- You can use any white cardstock; thick or thin will all work with this technique.
