

## Laminated Watercolour Gown Card

UN PROGETTO DALLA NOSTRA DIRETTA - THE INSTANT ARTIST - 2 OTTOBRE 2023

### IL PROGETTO

Create an elegant watercolour gown card using the two-part lamination stamp technique. This project features beautifully coloured dress designs in vibrant oranges and blues, surrounded by delicate floral elements. The technique involves spraying and stamping the solid portion for colour, then layering the outline stamp on top to achieve a realistic painted effect with minimal effort.

## CONSIGLI DALLA PUNTATA

- Lamination is very forgiving—if you don't line up the outline perfectly, it still looks brilliant.
- Spray the card rather than the stamp for better colour bleed and watercolour effect.
- You can colour the outline stamp in embossing powder or other colours instead of black for variety.
