UN PROGETTO DALLA NOSTRA DIRETTA - MONDAY PODCAST - 11 SETTEMBRE 2023

IL PROGETTO FINITO

IL PROGETTO

Create a stunning Halloween card featuring a magical twilight scene with vibrant pink, purple, and orange galaxy-effect skies. Using pre-printed pattern paper as your background, you'll layer stamped reflective trees, silhouetted children trick-or-treating, and a 'Trick or Treat' sentiment to build an enchanting autumnal scene. This project demonstrates how patterned papers can do the heavy lifting whilst you focus on creative stamping and layering techniques.
