

Quick Paper-Based Moon and Figures Card with White Gel Pen Details

UN PROGETTO DALLA NOSTRA DIRETTA - HSN ITEMS 848562 AND 848564 - 17 AGOSTO 2023

IL PROGETTO

Create a striking Halloween card featuring atmospheric moon and silhouette figures. Using pre-printed paper with vibrant sunset colours and cosmic skies, you'll add a subtle white gel pen moon halo and stamp dramatic reflection figures for a professional finish. This quick technique delivers impressive results without complex inking methods.

PASSO PASSO

PASSAGGIO 1 DI 9

Select a decorative paper from the Reflection Collection featuring a colourful atmospheric sky scene. Place it on your craft mat alongside a piece of pale pink cardstock.

PASSAGGIO 2 DI 9

Position the circular moon stencil aperture near the top of your galaxy background paper. Hold it in place and use a blending brush to add a pink halo around the edge of the circle, blending it outwards.

PASSAGGIO 3 DI 9

Using a blending brush with white ink, apply colour around the moon aperture to create a subtle halo effect. Concentrate the ink more in the centre whilst staying away from the very centre of the aperture.

PASSAGGIO 4 DI 9

Position the exterior stencil over the moon area. Using the ink blending tool, apply white ink to the centre of the circle and blend outwards to create a glowing effect.

PASSAGGIO 5 DI 9

Using your finger or a blending tool, gently blend the white ink outwards from the moon area to soften the edges and create a gentle glow effect on the galaxy background paper.

PASSAGGIO 6 DI 9

Stamp the reflection figures in black ink near the base of the galaxy card where the water or ground area is shown. Position the stamped images to create a reflection effect at the bottom of the scene.

PASSAGGIO 8 DI 9

Mount the decorated panel with the galaxy background and silhouette figures onto a white card base. Use adhesive to secure it in place, ensuring it is centred on the card front.

CONSIGLI DALLA PUNTATA

- The paper is uncoated, which means you can emboss, heat emboss, stamp, paint or gesso it for additional creative options.
- White gel pen dries back slightly lighter than it appears when applied, so don't worry if it looks harsh initially.
- You can repeat the figures design or position them off to the edge for varied compositions.
