

Vellum Wrap Christmas Card with Embossed Texture

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT CHRISTMAS LAUNCH - 30 GIUGNO 2023

IL PROGETTO

Create an elegant Christmas card featuring a delicate vellum wrap with embossed texture and layered floral embellishments. This sophisticated design uses a translucent vellum overlay to create depth and interest, with festive foliage and ornament motifs in metallic and natural tones. The embossing technique adds tactile dimension whilst the vellum provides a soft, ethereal quality to the finished piece.
