

Decorare una busta con i rub-on

UN PROGETTO DALLA NOSTRA DIRETTA - HOBBYMAKER TV - 8 GIUGNO 2026

IL PROGETTO FINITO

IL PROGETTO

Create an elegant envelope embellishment using rubon transfers featuring delicate autumn leaves in warm orange, rust and green tones. This simple technique allows you to apply beautiful botanical designs directly onto your envelope, transforming a plain surface into a sophisticated, coordinated piece. The rubon transfer method gives a professional finish that perfectly complements handmade cards and stationery.

CONSIGLI DALLA PUNTATA

- Rubons have a slight stickiness that allows them to be repositioned if needed.
- Using a bone folder or hard tool ensures even pressure for a complete transfer.
- Elevating the envelope with a rubon transfer makes the whole card presentation feel more special and intentional.
