

Christmas Stag Card with Embossed Background and Layered Antlers

UN PROGETTO DALLA NOSTRA DIRETTA - ANYTHING GOES - 28 GIUGNO 2023

IL PROGETTO

Create this elegant Christmas card featuring a majestic white stag with dimensional antlers adorned with festive red berries. The design combines embossed background textures with die-cut layered elements and the word 'NOEL' in gold, all mounted on a kraft and white layered card base. This project uses embossing, die-cutting, and dimensional layering techniques to create a sophisticated winter scene.

PASSO PASSO

1

PASSAGGIO 1 DI 12

Run white cardstock through the embossing machine using the Timber embossing folder with the thickest plate sandwich to create the textured background.

2

PASSAGGIO 2 DI 12

Run a second piece of white cardstock through the Autumn Breeze embossing folder to create an embossed background piece with the chevron pattern.

3

PASSAGGIO 3 DI 12

Apply glue to the embossed background pieces. Dab tissue into the glue, then sprinkle festive glitter over the tissue to add sparkle to the embossed areas.

4

PASSAGGIO 4 DI 12

Once the embossed panels are dry, gently rub away any excess tissue or residue that has stuck to the card surface using your fingers.

5

PASSAGGIO 5 DI 12

Die-cut the stag head from the Joyeux Noel die set using both white and craft cardstock to create layered pieces for dimension.

6

PASSAGGIO 6 DI 12

Die-cut the extended antlers from white cardstock. Cut multiple sets of the antlers to build up dimension for layering.

PASSAGGIO 7 DI 12

Die-cut the light formation pieces from white cardstock. These decorative elements will be positioned to intertwine with the stag's antlers on your card.

10

PASSAGGIO 10 DI 12

Using red pens, colour the tips of the light bulbs on the light formation die-cut pieces to create a festive effect.

11

PASSAGGIO 11 DI 12

Position and glue the light-coloured antler pieces into the gaps between the kraft antlers, tucking them in to create an intertwined, layered effect.

12

PASSAGGIO 12 DI 12

Mount the completed stag onto the embossed background card base using small foam pads made from scrap cardstock to add dimension.

CONSIGLI DALLA PUNTATA

- Use the thickest plate with embossing folders in the machine for proper sandwich setup.
- If tissue sticks to the card when applying glitter, it will rub off once the glue dries.
- You can build the stag design with multiple layers to create depth, or keep it simpler depending on your preference.
