UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 29 MAGGIO 2023

IL PROGETTO

Create an elegant sympathy card featuring a beautiful embossed cross design on white pearl cardstock. This versatile card works perfectly for sympathy, christenings, Easter and Christmas occasions. The main technique is 3D embossing to create a raised, textured cross motif that can be enhanced with additional layered elements.

Position the lily flower element on the card front, offsetting it to one side of the cross design. This adds a decorative floral embellishment to complement the sympathy theme.

CONSIGLI DALLA PUNTATA

- The cross does not have to be used only for sympathy; it works beautifully for Christmas if you colour it poinsettia-style.
- The debossed side is equally beautiful and can be used as an alternative design.
- You can hide the cross and use it as background detail by layering other embellishments over it.
