UN PROGETTO DALLA NOSTRA DIRETTA - THE THURSDAY DROP - 21 MAGGIO 2026

IL PROGETTO FINITO

IL PROGETTO

Create an elegant landscape card featuring a dimensional purple clematis flower as the focal point over a stamped black and white scenic image of a couple by a lake with trees. This project combines stamping techniques with layered dimensional flowers to create a sophisticated card with striking contrast and depth. The monochrome background paired with the vibrant purple bloom creates a beautiful, minimalist design.

CONSIGLI DALLA PUNTATA

- If the die doesn't fit perfectly, turn the paper over as the designs are not identical on both sides.
- The waste-free rectangle die leaves detail on both the cut piece and the remaining card, so you can use both for shaker windows or frames.
- Pinch and manipulate the substantial paper petals to make them look like real flowers, and the back is equally as beautiful as the front.
