

Fiori dipinti a mano con acquerelli neon

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV - 23 MAGGIO 2023

IL PROGETTO

Create vibrant hand-painted floral cards using neon watercolours on embossed die-cut flowers. Apply bright pink, green and gold watercolours directly to wet watercolour card stock, allowing the colours to blend naturally along the embossed veins and details. This loose, artistic technique produces stunning dimensional flowers with a modern, contemporary finish.
