**PASSAGGIO 7 DI 9**

**PASSAGGIO 8 DI 9**

Place the acetate sheet over the completed frame design and secure the frame backing in place to seal all elements. This will protect your finished piece and keep everything secure within the glitter frame.

**PASSAGGIO 9 DI 9**

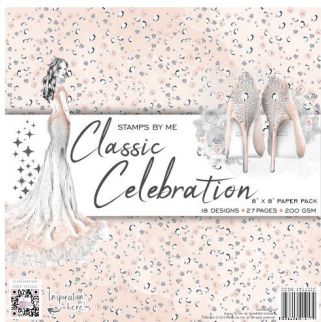

Repeat the process for the second frame using a different fussy-cut element from the paper pack, such as the shoe design. Position it in the frame with a coordinating sentiment stamp.
