

Sweet Pea Garden Aperture Window Card with Layered Mount

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT TV- SBM ONE DAY SPECIAL - 6 MAGGIO 2023

IL PROGETTO

Create a beautiful card featuring a Sweet Pea Garden design with a dimensional aperture window effect. The embossing folder creates a raised 3D design with a chamfered frame in soft pastel tones. Layer the die-cut elements with foam pads to create depth and the illusion of looking through a garden window.
