STAP VOOR STAP

1

STAP 1 VAN 10

Place stencil marked number 1, from the Poppy Bouquet Stencil and Die Collection, off the left edge of your DL card blank.

Blend the Izink Mer du Sud ink through the stencil, with your blending tool.

2

STAP 2 VAN 10

Line up stencil number 2, over your stencilled image, and blend with the Izink Ocean.

3

STAP 3 VAN 10

Line up stencil number 3, and blend with the Izink Nuit and Menthe.

4

STAP 4 VAN 10

Line up stencil number 4, and blend through with the Izink Nuit, Reglisse and Emeraude.

5

STAP 5 VAN 10

Now be brave....and spray water over your stencilled image, allowing it to "bleed". You can add more water, depending on how much of a loose watercolour effect you want! You can also use a paper towel to mop up any excess water if you wish. Allow the water to move the ink freely, and if possible, let your artwork dry off naturally. I am normally fairly reserved in allowing the water to move too much, but I went for it this time...and really loved the result.

6

STAP 6 VAN 10

NB: These next 2 steps are optional, but i wanted to go back in, with 2 of the stencils, and add a little more ink, to redefine some of the areas.

I laid stencil 3 back in place, and added a little more of the Izink Menthe, in some of the areas that bled alot.

7

STAP 7 VAN 10

I laid stencil 5 in place, and redefined a couple of areas with the Izink Emeraude.

8

STAP 8 VAN 10

Add some water to your Thirsty Brush Confetti Paint, and splatter over your dried artwork. You can be as generous with the splats as you want...I like a lot!!

9

STAP 9 VAN 10

Ink up the sentiment stamp, from There For You Lamination Stamp Collection, with the Smoky Gray Versafine, and stamp it straight through your artwork.

10

STAP 10 VAN 10

To finish, add clear, adhesive water drops, to your artwork, as required.
