STAP VOOR STAP

STAP 1 VAN 14

Ink up the stamps in the Flowery set, with the Memento and stamp on to a sheet of decorative paper, from the Funky Fossil Rainbow pad.

STAP 2 VAN 14

Ink up Daisy and stamp on to the same, or coordinating paper, but you will only need her t-shirt.

STAP 3 VAN 14

Reink Daisy and stamp her on to the 5 x 4" super smooth, white card.

STAP 4 VAN 14

Cut out all your stamped elements.

STAP 5 VAN 14

Use your HIMI oil pencils to add more colour and depth, to your florals and foliage. Use the white gel pen to add accents and highlights.

STAP 6 VAN 14

Colour in Daisy's skin, hair and flower, with your Gossip Alcohol pens. Pop a sheet of copy paper or scrap card underneath, as alcohol ink bleeds through card and could stain the work surface.

STAP 7 VAN 14

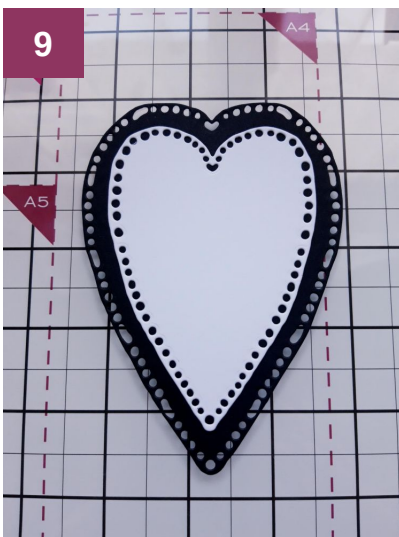

Glue the cut out t-shirt on to Daisy and set her and the florals and foliage, to one side.

STAP 8 VAN 14

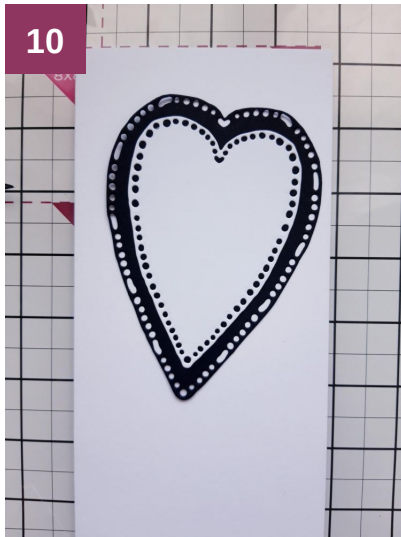

Die cut a Framed Heart from the black card (5 x 4") and the next size down heart, from the white card (5 x 4").

Pop the remaining white card to one side, to stamp your sentiments on, in a later step.

STAP 9 VAN 14

Adhere the white heart on top of the black one.

STAP 10 VAN 14

Adhere flat, on to your DL card blank, at a slight angle.

STAP 11 VAN 14

Adhere Daisy just to the left of the card, with foam pads.

STAP 12 VAN 14

Adhere your florals and foliage under and around Daisy, using a combination of wet glue and foam pads, thus adding depth and dimension to your card.

13

STAP 13 VAN 14

Ink up the word stamps with the Memento and stamp on to the white card you set aside earlier.

Cut them out, then use your black pen to draw a decorative frame around each one.

14

STAP 14 VAN 14

Adhere to your card, to finish.
