STAP VOOR STAP

1

STAP 1 VAN 13

Place one of the white pieces of cardstock, trimmed to 6 1/2 x 4 1/2", inside the embossing folder so the balloon image is captured "flying" in from the side of the card. Run through your machine.

2

STAP 2 VAN 13

Position the second piece of white card straight, inside the folder and run it through the machine.

3

STAP 3 VAN 13

Fussy cut the hot air balloon, from this second piece of embossed card and pop to one side.

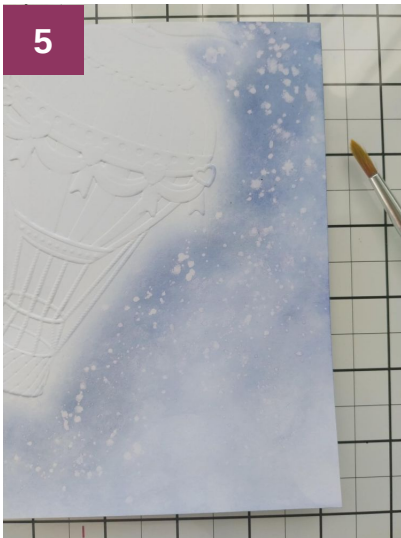

4

STAP 4 VAN 13

Using a blending tool, blend the **Surfboard** around the embossed image, darker along the edges of the image, fading out as you move away.

5

STAP 5 VAN 13

Splatter water over the ink, wait a few seconds then mop it up with a paper towel. Give it a quick blast with your heat tool.

6

STAP 6 VAN 13

Ink up the sentiment stamp, from Trust Your Journey, with the Midnight hybrid ink and stamp bottom left of your background.

7

STAP 7 VAN 13

Take this patterned paper, from the Royal Blue paper pack and trim to 6 3/4 x 4 3/4".

8

STAP 8 VAN 13

Adhere the inky, embossed background on to the patterned paper.

9

STAP 9 VAN 13

Adhere to the front of your kraft card blank.

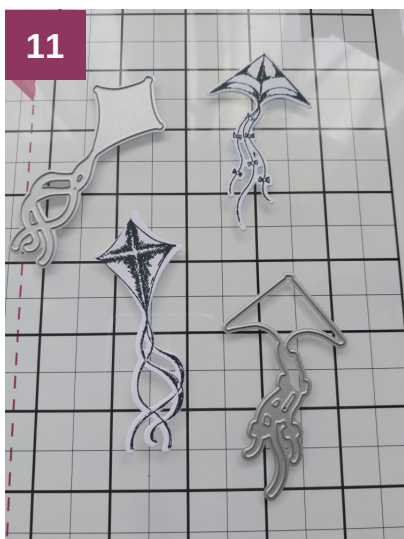

10

STAP 10 VAN 13

Use foam pads to adhere your cut out, hot air balloon to the right of the background balloon.

11

STAP 11 VAN 13

Stamp a couple of the kites, with **Midnight**, on to a piece of white card and use the coordinating dies to cut them out.

12

STAP 12 VAN 13

Adhere them around the hot air balloon, leaving the tails of the kites to hang loose.

13

STAP 13 VAN 13

Finally, add a touch of sparkle to the swags and bows, on your 3D hot air balloon.
