STAP VOOR STAP

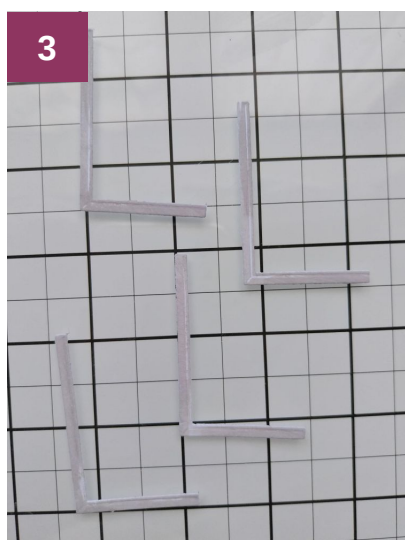

STAP 1 VAN 15

Place the window die on white card trimmed to 7 x 5" and run it through your die cutting machine.

STAP 2 VAN 15

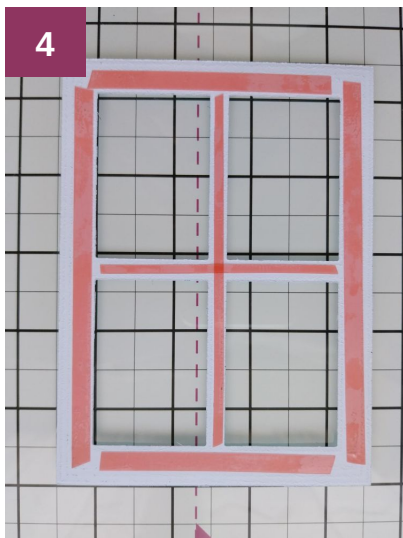

Pop out all the die cut elements and set the "shadow" die cut elements to one side. Swipe the Peacock Feathers and Vintage Photo ink pads directly around your window, adding a distressed, textured look.

STAP 3 VAN 15

Ink the "Shadow" die cut elements with the Lost Shadow ink.

4

STAP 4 VAN 15

Apply red liner tape to the back of your window.

5

STAP 5 VAN 15

Cut your acetate slightly smaller than your window and adhere to the back.

6

STAP 6 VAN 15

Trim this beautiful mount, from In The Countryside, slightly smaller than your window.

7

STAP 7 VAN 15

Adhere behind your window and pop to one side.

8

STAP 8 VAN 15

Trim this beautiful decorative paper from the Ruby Blooms pack, to 8 x 5 1/2". Use your blending brush to apply the Vintage Photo around the edges.

9

STAP 9 VAN 15

Adhere to your pink card blank.

10

STAP 10 VAN 15

Fussy cut floral elements from another of the Ruby Blooms decorative sheets.

11

STAP 11 VAN 15

Adhere your window to your prepped card blank and adhere the "shadow" die cuts in place. Arrange and adhere some of the 3D floral elements, along the bottom edge of your card, so they peek above the bottom of the window.

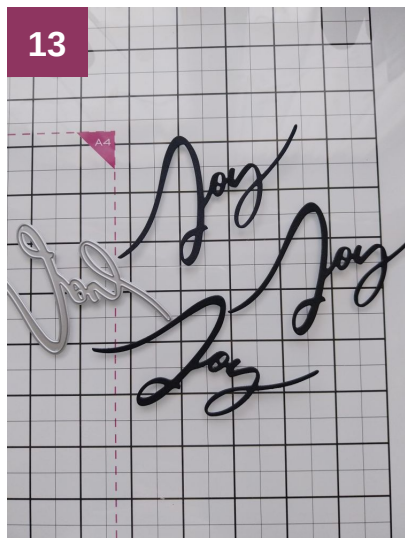

12

STAP 12 VAN 15

Adhere the rest of your florals around the top left corner before setting your card aside.

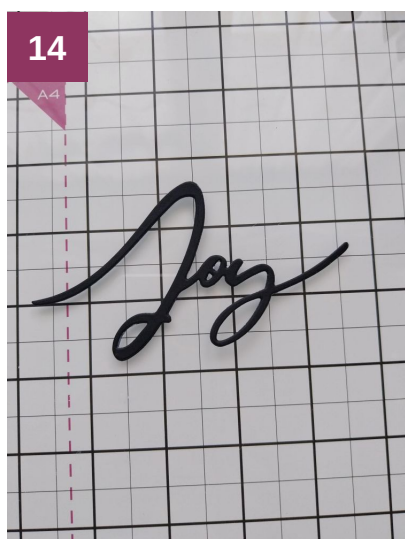

13

STAP 13 VAN 15

Die cut 3 "Joy" elements, from black card.

14

STAP 14 VAN 15

Glue together to create a more substantial 3D sentiment.

15

STAP 15 VAN 15

Adhere your sentiment across the florals elements, at the top of your card before using your Stickles to add a touch of festive sparkle to your project.
