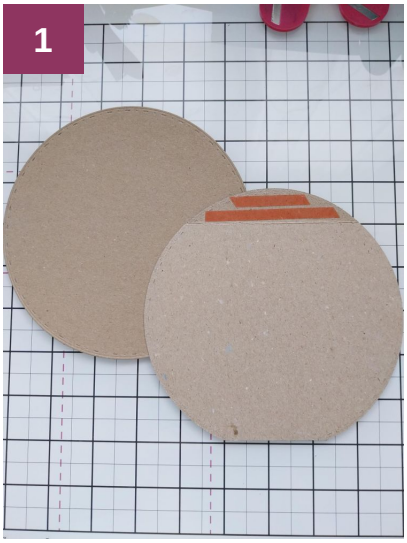
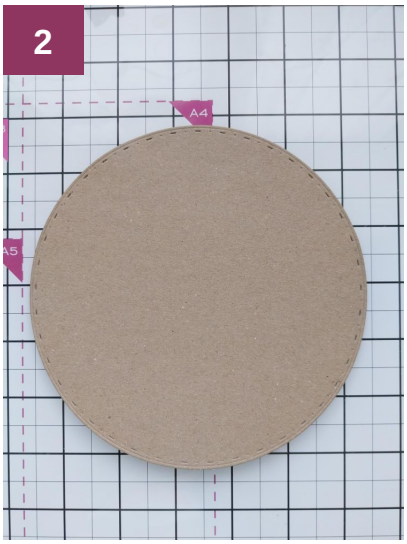
STAP VOOR STAP



STAP 1 VAN 14

Die cut TWO 6" circles from kraft card.
Score about 2cm down, on one of the circles and apply red liner tape above the score line. Trim a sliver off the bottom of the same circle, enabling your card blank to stand upright.



STAP 2 VAN 14

Peel off the tape backing and adhere your die cut circles together, to create your card blank. Pop to one side.

STAP 3 VAN 14

Choose a textured paper from the Bronze All Surfaces paper pack and die cut a 5 1/2" circle.

STAP 4 VAN 14

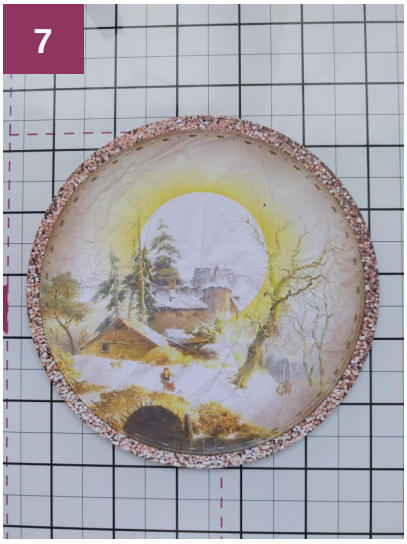
Die cut a 5" circle from one of the beautiful mounts, from In The Countryside.

STAP 5 VAN 14

Place your circle mask over the horizon of your village scene and blend the Sherbet ink, moving away from the mask as you fade out the colour.

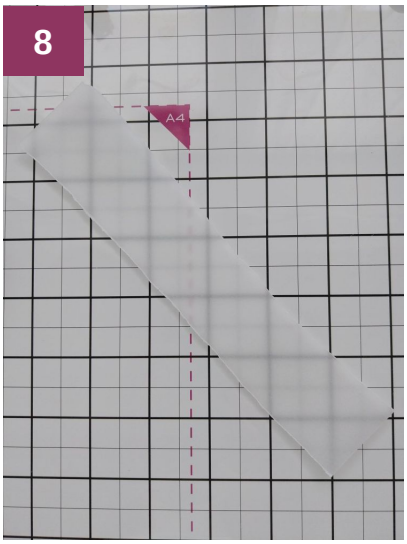
STAP 6 VAN 14

Blend the Walnut Stain Distress ink around the edge of your topper.



STAP 7 VAN 14

Adhere your topper to your die cut textured paper.



STAP 8 VAN 14

Tear a strip of vellum slightly wider than your layered topper.

STAP 9 VAN 14

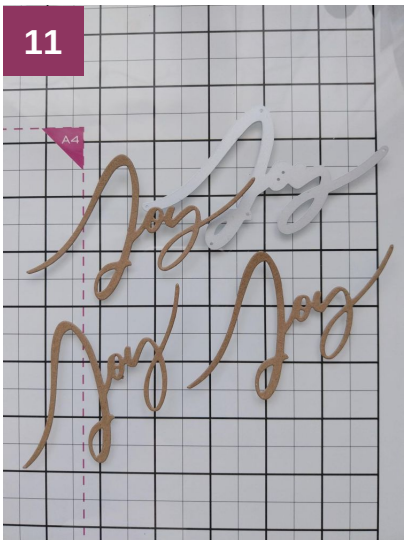
Adhere at an angle, across the top third of your topper. Tuck the vellum edges over and secure on the back, with your tape runner or double-sided adhesive tape.

10

STAP 10 VAN 14

Adhere to the front of your kraft card blank.

11



STAP 11 VAN 14

Die cut 3 "Joy" elements from kraft card.

12

STAP 12 VAN 14

Adhere together to create a substantial 3D word.

STAP 13 VAN 14

Adhere "Joy" along your torn vellum panel.

STAP 14 VAN 14

Use your Stickles to add a touch of winter, festive sparkle, to your artwork.
